EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, on page 1, before the heading "BACKGROUND OF THE INVENTION," **please insert the following heading and paragraph:**

"CROSS-REFERENCE TO RELATED APPLICATIONS"

This is a Continuation application of Serial No. 10/361,642, filed February 11, 2003, (**now USP 6,639,822**), which is a Continuation of application Serial No. 10/084,514 filed February 28, 2002 (**now USP 6,545,897**), which is a Continuation of application Serial No. 09/805,167, filed March 14, 2001 (now USP 6,373,776), which is a Divisional of application Serial No. 09/705,837, filed November 6, 2000 (now USP 6,370,054), the entire disclosures of which are hereby incorporated by reference.

Reason for Allowance

- a. Claims 1-3 are allowed.
- b. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is an arrangement of a plurality of memory arrays extend along a first direction and a plurality of sense amplifiers are arranged alternately with respect to the memory arrays arranged in the first direction. Each of the sense amplifiers is connected to bit lines of the memory arrays to form an open bit line type semiconductor memory. Hence the two memory arrays at end portions of the memory arrays are both selected together, whereas a memory array in an inner portion of the memory arrays is selected independently.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
